OTA Strategic Plan

2023 -
2026

	EDUCATION: Provide the orthopaedic trauma community and patients with high-quality, globally accessible content and education that meets their evolving needs.
	RESEARCH: Advance the care of orthopaedic trauma patients by identifying, initiating, supporting, and disseminating innovative and collaborative research.
	ADVOCACY: Advocate for high-quality trauma patient care by providing evidence and insights to inform and influence health systems and public policy.
	GLOBAL PARTNERSHIP: Serve as the leading resource for partners to deliver the highest possible quality of musculoskeletal trauma care worldwide.
	PEOPLE: Empower orthopaedic colleagues to thrive in their careers and lives through mentorship, professional support, and commitment to diversity, equity, and inclusion.
